BankNotes

message from the President

As we navigate the changing seasons within our Association, I write to share moments of both reflection and celebration within our Association. We begin on a note of remembrance for Norman Collins, a cornerstone of both our Association and the broader community, who passed away on February 19th. Norman dedicated thirty years as a Board Director, including his tenure as Chairman since 2015, marked by his unwavering commitment to our members and staff. His extensive involvement in various community boards, coupled with his relentless optimism and selflessness, left an indelible mark on all who had the privilege of knowing him. Norman's legacy of kindness and leadership continues to inspire us, and our thoughts remain with his family and loved ones during this difficult time.

Sandy Albair
Head Teller
CARIBOU

In the spirit of change, we also announce the retirement of Sandy Albair, our esteemed Head Teller at the Caribou branch. Since joining us in April 2001, Sandy's professionalism and warmth have become synonymous with the daily experiences of our customers. As Sandy prepares to embark on a well-earned retirement starting May 1st, we invite you to join us in expressing our gratitude for her 23 years of dedicated service to the Association.

On a note of advancement, it is my pleasure to announce the promotions of three invaluable team members. Vicki Keaton is now our Chief Operating Officer & Senior Vice President, bringing her vast banking experience and nearly two decades of service to this pivotal role. Kyle Washington has been elevated to AVP of IT & Bank Security Officer, where his profound IT knowledge and operational expertise will continue to drive our technological and security advancements. With Sandy's upcoming retirement, Jodylynn McNeal will step into the role of Head Teller, bringing her eight years of experience and certified skills to lead our teller operations.

Additionally, Aroostook Payroll has seen remarkable growth since its launch in mid-January, becoming a trusted partner for a broad array of businesses across Aroostook County in managing their payroll needs. To accommodate this increasing demand, we are pleased to announce that Macie Thibeault has joined our team as a Payroll Specialist. Macie joins us from Thompson Financial and brings with her a wealth of knowledge, having earned her Associate in Applied Science with a concentration in Accounting in May 2023 from NMCC.

These moments of transition are a testament to the dynamic and resilient spirit of our Association. As we celebrate the achievements and honor the legacies of our colleagues, we reaffirm our commitment to the values that have guided us for over 87 years. Together, we continue to build on the foundations laid by those who have shaped our past, ensuring a future filled with promise and continued service to our community. Thank you for your continued trust and support.

Sincerely,

Curt D. Paterson

Attention Students, Parents and Relatives of College Bound Students

You Are Our Best Investment

Aroostook Savings & Loan is pleased to continue our annual scholarship program to award young members with funds for furthering their education. This scholarship program is just one way we give back to the communities we serve. Two scholarships will be awarded, worth up to \$4,000 each, to eligible high school graduating students who are continuing their education by enrolling in either a 2 or 4-year program at a college or university. Students enrolled in a 2-year program will be eligible for a \$2,000 scholarship or \$1,000 per academic year. Students enrolled in a 4-year program will be eligible for a \$4,000 scholarship or \$1,000 per academic year.

Scholarship applicants must be a member or have a relative (parent, legal guardian for at least one year, brother, sister, or grandparent) that is presently a member of the Association. The member must have an open account, which has been open for at least one year and maintained in a satisfactory manner. Senior students applying for assistance must have at least an 85 Grade Point Average. College students must have an Accumulative Grade Point Average of 3.0 or higher. Students must be a resident of the State of Maine and a U.S. Citizen.
