

**At Aroostook Savings & Loan,
we are always looking for ways
to save you money.**

For years, we have provided you checks by ordering them from a national check printer. We've watched the price of checks more than double in cost for a standard check order.

**To save you money,
we have purchased our own
check printing equipment
where we can now
provide the same quality
check products in-house
and save you up to 60%.**

Driving down the cost of buying checks continues our philosophy of keeping our fees low and treating every customer the way we like to be treated.

***Come in to order
your checks and save!***

Helping your friends and neighbors since 1936!

Personal Checks and Accessories

**Save Up to 60%
when compared
